REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.

2. Take debris and waste to the town dump.

3. Maintain a clean, safe dump.

4. Keep matches away from young children.

5. Be sure matches and smoking material are dead out when we discard them.

6. Set a good example for others in fire prevention.

GOSHEN FIRE DEPARTMENT

1967

The time has again arrived for me to thank the townspeople for all the help they have given the fire department during the past year.

We have had an excellent year as far as fire loss is concerned. The total absence of damage from fire is not all luck. The men in the department, donating time and labor, deserve most of the credit, however the townspeople also deserve our gratitude for their fire safety mindedness.

To all who helped the auction become a success through their labors and donations, I send my appreciation while we all reap the rewards of seeing the building fund grow.

REPORT OF THE SECRETARY
OLIVE G. PETTIS LIBRARY, 1967

In addition to attending their own board meetings the trustees and librarian have gone to state and regional meetings.

The installation of the heating unit was completed by Ralph Wright.

The exterior of the building was painted by volunteers under the leadership of Miss Edith Pike. Other volunteers furnished refreshments to the workers.

The annual library festival sponsored by the Friends of the Library and the trustees was again a financial success.

Among the donations received: books from Mr. and Mrs. Donald C. Zipfel in memory of William, Arlene and Arthur Wells, a flag from Miss Pike, flower boxes from Mrs. Kerwin Purnell and Mrs. John Bagnasco in memory of Mrs. Erica Wex, town reports to complete our files by Mrs. Raymond Smith and her sister in honor of their mother, Mrs. Eva Russell, wood by Mr. Wright, some paint, and rope for the flag pole anonymously.

The stove was bought by the Friends and donated to the Robert Frost home.

Many thanks are due to those good friends and neighbors who donated books and who gave time and labor to paint and do many needed repairs to the building.

REPORT OF THE PLANNING BOARD

During the past year your Planning Board has held several meetings, initially to review the functions and objectives of planning boards in general, and secondarily, to investigate and survey the actions of other towns in this area and/or of this size. In addition, we have been in close touch with the Planning Division of the Department of Resources and Economic Development in Concord.

Long range surveys of the future by such organizations as Arthur Little Inc. and the New England Council (as well as state agencies) indicate that the population in New Hampshire will triple over the next 50 years. This naturally will have tremendous impact on governmental entities but it will have equal effect on us as individuals, for in addition to the surge of demand upon counties and municipalities for new services — and improved older services — there will arise the sudden problem of more people seeking less and less available land. No longer can we say that we are free to do what we want with our own land, for that has effect on our neighbors, but we even have to be careful what we do with our own time, our own selves and our own businesses. And if we do not keep our own houses in order, we face the possibility of the state and federal governments setting up restrictions devised for the best interests of the whole. To sum up, government has some right to issue restraints to protect "society" in a collective manner — and we as individuals necessarily will support certain restraints to protect our own land and building values, and to insure reasonable privacy and peace of mind to ourselves.

Because of time limitations and the necessity of "tailoring" any recommendations to Goshen's specific needs, it was felt that the wisest procedure was to proceed slowly and thoroughly, to restrict any recommendations this year to the updating of the Building Regulations now in force. Because of requests from several individuals, we are also asking for an article to be inserted in the warrant to enable discussion on the possible regulation of future mobile homes within town limits. We would hope that citizens always remember that their Plan-

ning Board is an arm of their government and would like ideas and suggestions from individuals and/or groups, either for discussion by us as part of overall programs or for inclusion in future warrants for future town meetings to discuss.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT

The number of students totals 119, broken down as follows:

Grade 1	18
Grade 2	14
Grade 3	15
Grade 4	12
Grade 5	15
Grade 6	16
Grade 7	19
Grade 8	10

Fifty students are attending area high schools: 3 at Sunapee, 3 at Claremont, and 44 at Newport.

PERSONNEL

We were fortunate to retain the entire teaching staff this year. I cannot over-emphasize the educational value that comes from the stability of a good staff. I believe we are able to see the results already through a better continuity of teaching which invariably comes from an experienced staff.

At a time when the salaries of teachers are rising rapidly, due to the critical short supply, may I urge you to go as far as you can financially to keep your present staff. The additional amount of money that it would cost as compared to hiring beginning teachers — if available — is small indeed for the better teaching service your children will receive.

IMPROVEMENTS

The outside of the building was painted. An outside light has been installed. The septic field was extended.

New items of equipment include a new floor machine and a new food mixer for the Hot Lunch Program. Both are being put to good use.

HIGH SCHOOL TRANSPORTATION

An Article is included in the Warrant to consider providing transportation for high school students. Please give this matter your ser-

ious consideration for some of the present transportation practices should not be continued. Today, a high school education is a necessity — not a luxury. Transportation to and from high school should not be a hardship on a student or his parents. I firmly believe transportation should be provided at District expense.

AREA STUDY

The School Board has indicated an interest in studying an AREA school concept with Newport at the high school level. The statutes on AREA schools have been changed considerably since an earlier study.

Tuition figures for the last three school years show that most of the students attended high school at Newport:

NUMBER OF STUDENTS

High School	1965-66	1966-67	1967-68
Claremont	2	4	3
Sunapee	2	2	3
Newport	40	42	44
	44	48	50

If an acceptable plan could be worked out between Goshen-Lempster and Newport, it could result in considerable saving to both Goshen-Lempster and Newport. Of course, any plan would have to be approved by the voters of both Goshen-Lempster and Newport.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools

GOSHEN-LEMPSTER SCHOOL PRINCIPAL'S REPORT

1967-68

In March the Players of Manchester, N. H., presented the play, "The Devil and Daniel Webster" to the entire school. This was the first live drama that many of the pupils had seen, and all were most enthusiastic — even the children at the primary level.

The 1967 eighth grade graduation exercises were held in the school multi-purpose room. Mr. Herbert O. Williams, Guidance Director at Newport High School, was the speaker. Diplomas were presented by Mrs. Nethersole, Chairman of the School Board, music was under the direction of Mrs. Bruno. Refreshments were served by the Parents Club and Mr. and Mrs. Wilber Campbell donated flowers for the occasion.

We were fortunate to have all our teachers back this fall with Mrs. Starkey again at Grades 1 and 2, Miss Jan Bradeen at Grades 2 and 3, and Mrs. Morrissey at Grades 4 and 5. Miss Nancy Hamilton and Mrs. Cain continued at the 6th, 7th and 8th grades in departmentalized mathematics, English, science, and social studies. Both teachers had art classes at these levels each Friday.

The part-time reading program with Mrs. Elizabeth Barrett as teacher was continued this year, made possible through the acceptance of a cooperative project with Newport and Sunapee under Tile I of E. S. E. A., approved by the School Board and administered by Mr. A. J. Soucy, Teacher Consultant and Title I Coordinator for the School Union.

Mrs. Bevilacqua has donated her services for two hours a week as a "teacher aide" and has been working with Mrs. Starkey and her first grade.

Distant parts of the world were made real to our pupils through the personal accounts and interesting slides made by the people who had been there. We heard three delegates of the International Farm Youth Exchange, an organization administered by the National 4-H Foundation. In New Hampshire a state I. F. Y. E. Committee supervises this work. Last May, Miss Peggie Cope of Ossipee told of her experiences in Australia; in December, Pauline Allen of Hollis told us about Switzerland, and in January, Marlene Scammon of Stratham gave us an account of her stay in the United Kingdom. Later in December, Miss DeCourcy of Newport showed slides and told us about her work as a member of the Peace Corps in Malaysia.

In April, a Safety Program was presented by Cowboy Dave Winchell and Mr. T. O. Parker, representing the Child Safety Council, a service

provided through funds contributed by area professional and business people.

Mrs. Buck, our School Nurse, arranged a tuberculin test for pupils at the school. This fall from October to December, she arranged immunization clinics for pre-school children and for pupils who needed innoculations or booster shots. She has also been busy checking eyes.

The Parents Club sponsored a Dental Health Clinic again this year with Mrs. Wright as chairman and Mrs. Starkey as teacher-coordinator and Dr. Houlihan of Claremont as dentist.

Mr. Charles Newton, our new custodian this year, is doing a fine job in maintaining a warm, clean, and attractive school. Mrs. Francese Newton administers our School Lunch Program of delicious noon meals.

The 1967 Christmas Program consisted of a puppet show put on by the 6th, 7th and 8th grades and showed Christmas customs among Christian people around the world. The backgrounds and puppets were made in art classes conducted by Miss Hamilton and Mrs. Cain, inspired by the extension course in art taken this year.

In spite of the difficult driving this year, Mr. and Mrs. Wilber Campbell are doing an excellent job of getting our children to and from school safely.

The staff wishes to express appreciation to the members of the School Board, Mr. Gordon B. Flint, Mr. A. J. Soucy, Mrs. June Buck, the Parents Club, parents who transported pupils to the Dental Clinic, and all others for their interest and efforts on behalf of our school.

Respectfully submitted,

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

NOTICE: POLLS OPEN FROM 12:00 NOON TO 5:00 P.M.

To the Inhabitants of the Goshen-Lempster School District qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the sixteenth day of March 1968 at 12:00 noon to act upon Articles 1, 2, and 3, the meeting to be recessed and opened again at 2 o'clock in the afternoon to act upon the remaining Articles in the Warrant (Articles 4 through 9):

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose one Member of the School Board for the ensuing five years.

Article 3. To choose an Auditor for the ensuing year.

Article 4. To hear the reports of Auditors, Agents, Committees, or Officers chosen, and pass any vote relating thereto.

Article 5. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of the statutory obligations of the District.

Article 6. To see if the District will authorize the School Board to appropriate receipts from Federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1968-69 for the school lunch program, general expenses, equipment, and improvements.

Article 7. (Inserted by Petition.) To see if the School District will authorize the School Board to contract for bus service for the children going to Newport High School. Also to see if the School District will raise and appropriate the sum of $5,000.00 to finance the same.

Article 8. To see if the District will vote to authorize the School Board to act as Supervisors of the School District check list.

Article 9. To transact any other business that may legally come before this meeting.

Given under our hands at said Lempster this twentieth day of February 1968.
